

CLEF Summer Program 2023

Sunday, July 23 to Friday, July 28

Jesuit Spiritual Center at Milford in Milford, Ohio

The **CLEF Summer Program** is a unique opportunity specifically designed for ensemble musicians from parishes of all sizes across the country. This week-long opportunity offers education, skill building, prayer, reflection, and community.

Expand music and liturgy skills

Participants choose from the ensemble track, which features separate and combined sessions for singers and instrumentalists, or the retreat track, which offers an opportunity for reflection and renewal specifically designed for those in music ministry. Both track options use the same music throughout the week.

Learn from highly experienced faculty

Our faculty members are highly skilled musicians, ensemble directors, and liturgists who believe strongly in the role of ensemble music in liturgy. They have extensive experience working with ensembles and are passionate about helping musicians lead people to full, conscious, and active participation in liturgy.

Build community with other ensemble musicians

Ensemble musicians face unique challenges in their ministry, and the week offers an opportunity to learn from each other in addition to learning from our experienced faculty. From large group sessions on key topics to conversations over meals, there are plenty of opportunities to build community through the week.
